Luxury accessories brand **KILLSPENCER** is releasing a Special Ops Backpack 3.0 collection, introducing a series of seven new stealthy bags for the upcoming fall season. Arriving in both leather and canvas options, the collection features a variety of colorways ranging from black and charcoal grey to olive.

Handcrafted in KILLSPENCER's LA workshop, each piece includes travel necessities such as quick access accessory pockets, mesh interiors for smaller items, and MacBook-sized compartments. Additionally, each bag in the collection comes equipped with a bullhide leather passport pocket, foam-padded shoulder straps, Swiss-made **Riri zippers** and KILLSPENCER's signature exterior vertical zippered pocket for quick access to your goods.

Each backpack is also fully customizable with monogram detailing for ultimate personalization.

The Special Ops Backpack 3.0 collection is now available at KILLSPENCER's [official site](#). Pieces range from \$275 to \$720.
