Product & Finishing	Metal - PO	Available Executions	GE, CD, CK, TB*, TBC*	Available Dimensions	4 - 6 - 8 mm
--------------------------------	------------	-----------------------------	-----------------------	-----------------------------	--------------

For any further information, please ask our sales representatives.

What makes it Sustainable:

Tape	Certified sustainable cotton tape	Riri Certified sustainable cotton tape is produced using 40% less water and 20% less energy compared to traditional cotton; furthermore it does not contain GMO and it is grown without the use of toxic chemicals . Supply chain is traceable.
Chain and Components	Recycled Brass	Riri is committed to buying brass with a percentage of recycled material that is at least 50% .
Surface treatments	PO Finishing: Reduced water & energy consumption	The PO Surface Finishing (PO stands for Polished) is manufactured without any galvanic treatment .
Certifications	Product certified	Oekotex Standard 100 – Product Class I is an international accreditation of a responsible chemical management . Cotton yarn is also certified ' MADE IN GREEN by OEKO-TEX '.

*top stops of this execution are made of brass – bottom stops are made of zamak
