

Riri Sustainability Products

Product & Finishing	Metal – PO	Available Executions	GE, CD, CK, TBM*, TBCM*	Available Dimensions	4 – 6 – 8 mm
--------------------------------	------------	-----------------------------	-------------------------	-----------------------------	--------------

For any further information, please ask our sales representatives.

What makes it Sustainable:

Tape	Recycled 100%	Recycled polyester reduces emissions by 32% compared to virgin polyester. RPES certified GRS - Global Recycled Standard (80% post-consumer; 20% pre-consumer).
Components	Recycled Brass	Riri is committed to buying brass with a <u>percentage of recycled material that is at least 80%.</u>
Surface treatments	Reduced water & energy consumption	The PO Surface Finishing (PO stands for Polished) is manufactured <u>without any galvanic treatment.</u>
Certifications	Product certified	Oekotex Standard 100 – Product Class I is an international accreditation of a responsible chemical management.
