

Riri Sustainability Products

Product & Finishing	Metal 6 - INOX	Available Executions	GE, CD, CK	Available Dimensions	6 mm
--------------------------------	----------------	-----------------------------	------------	-----------------------------	------

For any further information, please ask our sales representatives.

What makes it Sustainable:

Tape	GOTS certified organic cotton tape	The “ Global Organic Textile Standard ” provides that: <ul style="list-style-type: none"> • yarn contains at least 70% organic natural fibers; • no toxic substances and GMO are used; • supply chain is traceable • there is full compliance with social criteria.
Chain and Components	Mono-material metal	Chain, stoppers, puller and slider are entirely made of stainless steel, conferring a high degree of recyclability to the Metal 6 – INOX.
Surface treatments	Reduced water & energy consumption	Thanks to the inherent characteristics of Stainless Steel , the Metal 6 – INOX is produced <u>without any galvanic treatment</u> .
Certifications	Product certified	Oekotex Standard 100 – Product Class I is an international accreditation of a responsible chemical management . Cotton yarn is also GOTS (Global Organic Textile Standard) certified .
Technics	Resistance & robustness	Thanks to the high degree of durability of stainless steel, the Metal 6 – INOX <u>has a longer life cycle</u> .
