For any further information, please ask our sales representatives.

What makes it Sustainable:

Components	Mono-material metal	Each component is entirely made of brass conferring a high degree of recyclability .
Surface treatments	Reduced water & energy consumption	Thanks to the inherent characteristics of Stainless Steel , the INOX Jeans Button is produced without any galvanic treatment .
Certifications	Product certified	Oeko-tex Standard 100 – Product Class I is an international accreditation of a responsible chemical management .
Technics	Resistance & robustness	Thanks to the high degree of durability of stainless steel, the INOX Jeans Button has a longer life cycle .
