For any further information, please ask our sales representatives.

What makes it Sustainable:

Components	Mono-material metal	Each component is entirely made of brass conferring a high degree of recyclability .
Raw material	Components of recycled Brass	Riri is committed to buying brass with a percentage of recycled material that is at least 50% .
Surface treatments	Reduced water & energy consumption	The SX Surface Finishing (SX stands for Polished) is manufactured without any galvanic treatment .
Certifications	Product certified	Oekotex Standard 100 – Product Class I is an international accreditation of a responsible chemical management .
Technics	Removable	The button can be easily disassembled from clothes .
