

CERTIFICATE

The company

RIRI SA
Via al Gas 3
6850 Mendrisio
Switzerland

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **ZH001 149288.3**

for the following articles:

Finished zippers and single parts, produced with: tape of polyester, aramid or cotton, in different colours, with or without reflective or coloured polyurethane film; teeth, stoppers and pullers of brass, die cast zinc or stainless steel, with or without electroplating and/or transparent or coloured lacquering, in acetylic resin, polyamide or polyester coil dope dyed in different colours; sliders of die cast zinc with or without electroplating or sliders in polyamide and acetal resin dope dyed in different colours with or without colored laquering, partly produced with fibers having flame retardant properties accepted by OEKO-TEX®

(based on material partly pre-certified according to STANDARD 100 by OEKO-TEX®)

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 4, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for baby articles.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate ZH001 149288 is valid until 15.05.2020
